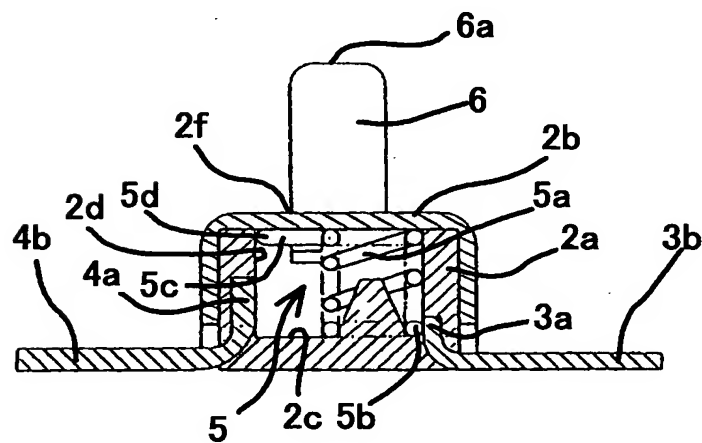

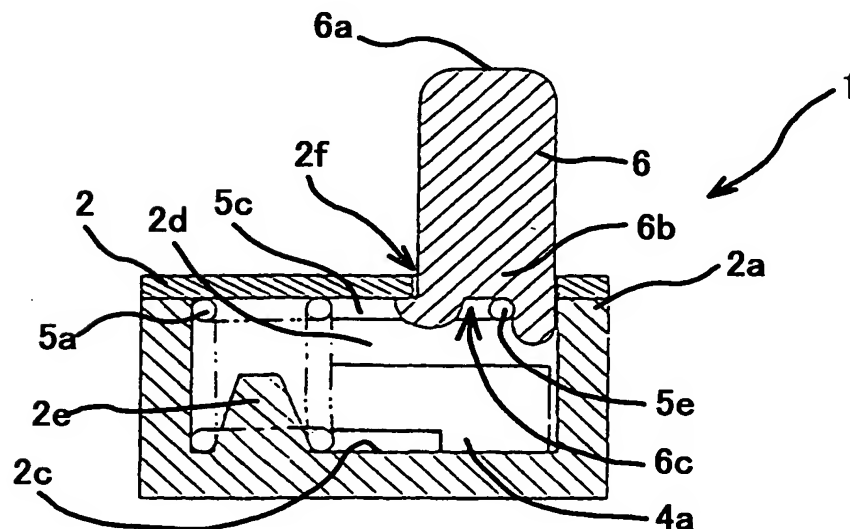

Fig. 5

A schematic diagram of a mechanical assembly, likely a pump or valve, showing a central rotating component (2e) with a curved arm (2d) and a lever (3a). The assembly is housed within a rectangular frame (4) with various ports (4a, 4b, 4c) and internal components (5a, 5b, 5c, 5e). Labels 2a, 2b, 2c, 2d, 2e, 3a, 3b, 3c, 4a, 4b, 4c, 5a, 5b, 5c, 5e, and 6 are used to identify specific parts.
